Case No. **CV18-4315-DSF(JPRx)**  
**DECLARATION OF PAMELA J.**  
**KOTTKAMP**

1 **DECLARATION OF PAMELA J. KOTTKAMP**

2 I, Pamela J. Kottkamp, declare, pursuant to 28 U.S.C. § 1746, as follows:

3 1. I am employed by The Boeing Company (“Boeing”) as a Paralegal in the  
4 Law Department’s Litigation Group. I have personal knowledge of the matters set  
5 forth below and, if called as a witness, would testify to these facts under oath.

6 2. I make this declaration at the request of the United States Securities and  
7 Exchange Commission (“SEC”).

8 3. Boeing is the world's largest aerospace company and leading  
9 manufacturer of commercial jetliners, defense, space and security systems, and  
10 service provider of aftermarket support. As America’s biggest manufacturing  
11 exporter, the company supports airlines and U.S. and allied government customers in  
12 more than 150 countries. Boeing products and tailored services include commercial  
13 and military aircraft, satellites, weapons, electronic and defense systems, launch  
14 systems, advanced information and communication systems, and performance-based  
15 logistics and training.

16 4. On or about February 8, 2018, the SEC requested that Boeing provide it  
17 with certain information concerning companies called Titanium Blockchain  
18 Infrastructure Services, Inc. (“TBIS”) and EHI Internetwork and Systems  
19 Management, Inc. (“EHI”), and an individual named Michael Stollaire aka Michael  
20 Stollery or Michael Stoller (“Stollaire”).

21 5. In my capacity as a Paralegal in the Law Department’s Litigation Group  
22 at Boeing I am required, periodically and as needed, to become familiar with the  
23 entities with which Boeing has contracts, agreements, and/or other substantive  
24 business relationships including alliances and partnerships. In addition, in my  
25 capacity as a Paralegal in the Boeing Law Department’s Litigation Group, I share  
26 responsibility with other members of Boeing’s Law Department, intellectual property  
27 counsel, and others, to protect Boeing’s trade name, trademarks, and service marks  
28 from infringement and other unauthorized uses by third parties. In response to the

1 SEC's request, and at my direction, Boeing's personnel reviewed the books, records,  
2 files, and computer systems of the business units within Boeing that might reasonably  
3 be expected to have or to have had any type of business relationship with TBIS or  
4 EHI or Stollaire including as a customer, client, vendor, employee, contractor,  
5 consultant, or other type of business transaction.

6 6. Boeing keeps and maintains business records in the course of its  
7 transactions and regularly conducted activities as a regular practice. It is Boeing's  
8 practice to prepare such records at or near the time of the occurrence of the matters  
9 set forth by, or from information transmitted by, a person with knowledge of those  
10 matters. Boeing maintains books and records of entities and persons with which it  
11 has contracts, agreements, and/or other substantive business relationships, such as the  
12 purchase and sale of a product or service, making an investment, or entering into an  
13 alliance or partnership, including authorized uses by third parties of its trade name,  
14 trademarks, and service marks. Boeing also maintains books and records of entities  
15 and persons with which it has engaged as an employee, vendor, contractor, or  
16 consultant. For the purposes of this declaration, as a Paralegal in the Law  
17 Department's Litigation Group at Boeing, I am the custodian of those records or am  
18 otherwise qualified to testify about them.

19 7. Boeing's books and records are current as of the date of this declaration.  
20 The search of these materials has not disclosed any current or past business  
21 relationship of any kind between Boeing and TBIS or EHI. Our records do indicate  
22 that Stollaire was, at one time, employed, through a contract labor supplier, as a  
23 contract employee for Boeing under the name of Michael Stollery.

24 8. The search of these materials indicates that Boeing used the services of a  
25 third party contractor to provide certain information technology ("IT") services to  
26 Boeing and Stollaire worked on the IT services between approximately June 2013  
27 and June 19, 2014, at which time Stollaire's involvement ceased. These materials  
28 indicate the scope of the IT services involved the use of commercially available

1 Hewlett Packard IT products and services used by Boeing, and did not include  
2 blockchain technology or digital currency.

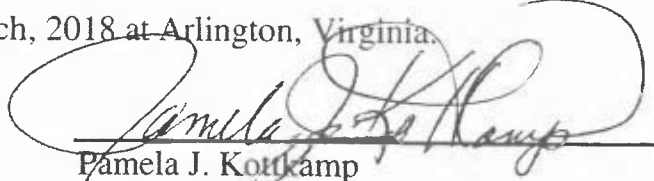

3 9. The SEC provided Boeing with copies of purported testimonials  
4 attributed to Boeing employees David Christianson and Laura Razor that appeared on  
5 the TBIS and EHI websites. The search of Boeing's books and records has disclosed  
6 that Mr. Christianson and Ms. Razor are currently employed by Boeing and were  
7 employees at the time Stollaire was a contractor at Boeing. The publication of these  
8 purported testimonials on the TBIS and EHI websites was not authorized by Boeing.

9 10. The search of these materials has not disclosed that Boeing has ever  
10 authorized TBIS or EHI or Stollaire to use Boeing's name or logo in their marketing  
11 or advertising. The "Boeing" name and logo are the intellectual property of the  
12 company. Boeing considers a third-party's unauthorized use of the "Boeing" name or  
13 logo in marketing or advertising as an infringement of its intellectual property.

14 11. Boeing sent Stollaire a cease and desist letter via U.S.P.S. Certified Mail  
15 # 7013 3020 0000 9543 6799 on March 16, 2018, a true and correct copy of which is  
16 attached hereto as Exhibit 1. Boeing received a U.S.P.S. Receipt of Certified Letter  
17 Delivery #7013 3020 0000 9543 6799 showing the letter was delivered to Stollaire  
18 and signed for on March 21, 2018, a true and correct copy of which is attached hereto  
19 as Exhibit 2.

20 I declare under penalty of perjury under the laws of the United States of  
21 America that the foregoing is true and correct.

22 Executed this 28<sup>th</sup> day of March, 2018 at Arlington, Virginia.

Re: Use of BOEING logo

Dear Mr. Stollaire:

I write on behalf of Boeing, owner of the world famous BOEING trademark. It has recently come to our attention that Titanium Blockchain Infrastructure Services (TBIS) claims an affiliation with Boeing and displays the BOEING logo in its informational brochure as part of a client list. Please see <https://tbis.io/TBIS-white-paper-v2-7/>.

Additionally, EHI displays the BOEING logo at its website in the same manner at <http://www.ehiinsm.com/>.

I must inform you that I cannot find an agreement indicating that Boeing has authorized either TBIS or EHI to use Boeing's trademarks. As I hope you can appreciate, Boeing must carefully control the use of its intellectual property, such as its logo for which it holds numerous trademark registrations, and does not condone its use without proper authorization. For example, placing the BOEING logo on a client list, as appears to be the case here, constitutes use of Boeing's trademark and would require a license from Boeing.

Accordingly, I respectfully request that TBIS and EHI please remove Boeing's logo from their respective advertising materials at their earliest convenience.

If you believe that you have received authorization, please reply with a copy.

I look forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Anderson".
